Dear Mayor Russell, Vice Mayor Born, and City Councilors,

We wish to bring to your attention the extremely difficult situation that the remaining tenants of 11-15 Green St. are facing

As a direct result of the ending of rent control, 16 tenants have been or will be evicted so that the new owners can create luxury apartments.

We have reason to believe that, after renovations are completed, this building may be converted to condominiums - and residents are not being afforded the benefits provided under the Condominium Conversion Protection Act.

Please support us in our effort to remain in our homes and preserve affordable housing in our neighborhood.

Thank you for your attention to this matter.

Sincerely,

Geoffrey Day
