RE: Notification of hearings of DPU - Guilford Transportation Industries, Inc.

Please be advised that I contacted the Department of Public Utilities on the notification of the hearing held for Guilford Transportation, Inc. (June 10, 1988).

The Department of Public Utilities tells me that this hearing was an investigation into the safety practices of the B&M Railroad which is owned by Guilford Transportation. The DPU states that any city can submit a brief on their comments on the safety of the B&M within 20 days from June 10th.
