Cambridge, Ma. 02138
Sept. 17, 1982

Mr. Paul Healy
City Clerk's Office
795 Mass. Av.
Cambridge, Mass.

Dear Sir,

As a 32 year resident of Cambridge and a 24 year taxpayer at One Potter Park, I wish to request a hearing before the City Council on Mon. Sept 20th, regarding the zoning board variance to be heard on Sept. 30th for the property at 6 Linnaean St.

The people whose signatures appear below are all owners or residents of Potter Park, which property abutts 6 Linnaean St. and who are opposed to the zoning board variance requested by Rudrananda Ashram, Inc. in case No. 4968.

The urgency for my request before the City Council is indicated by the date for the zoning board hearing which only appeared in the Chronicle on Sept. 18th, and although my notice as an abutter was postmarked Mon. Sept. 13th, it was not delivered until four days later on Sept. 17th which is the date above,

Thank you for your kind and urgent attention to my hearing request before the City Council.

Very truly yours,

Helen F. Parker
