Dear Mr. Keating:

Thank you for sending the Form 1507 for gaining permission to construct some brick sidewalk and granite curbstone at 20 Hubbard Park Road. The owner, Thomas H. Dupree, has signed the form and I have enclosed with this letter a Landscape Plan dated January 29, 1990 which shows the extent of brick sidewalk and granite curb, as proposed.

It is the owner's intent to construct these items along with other landscape items starting in the spring of 1990. I would much appreciate it if you would let me know if any further action is needed on our part to gain permission to do this work. Also, how is permission granted?

Sincerely,

MASON AND FREY
