RE: Resolution on 'access to space in school buildings for
preschool and out-of-school time programs'

DATE: January 22, 2003

CC: Members of the Cambridge Kids' Council

The Cambridge Kids' Council met on January 16, 2003 and recommended forwarding the below resolution to the City Manager, City Council, and Cambridge School Committee.

Resolution

Consistent with our prioritization of literacy and out-of-school time efforts, the Kids' Council agrees that every effort should be made to ensure that both public and not-for-profit preschool and out-of-school time programs currently located in school buildings continue to have access to space that is appropriate for their programming needs in a location that is appropriate for the population they serve.
