A memorandum to let you know that the opening day for the Cambridge Farmers' Market will be Monday, May 16th, at 12 PM to 6 PM at Parking Lot #5, Norfolk and Bishop Allen Streets, Central Square, and that the Market will take place every Monday thereafter, probably excepting Memorial Day, July 4th, and possibly Labor Day, through November 21st. I attach a list of the farmers I expect will come. Not all will come opening day. At that time, farmers will have transplants for sale along with limited produce - asparagus and spinach and greenhouse lettuce... There'll also be maple syrup, honey, eggs, turkey products and cold storage fruit. We hope to have a new farmer, who will bring cheese. As usual I'll put up Emergency No Parking signs at the Parking Lot, and about 12 framed signs around the Town announcing the Market. Also you usually put up signs at the Parking Lot indicating the existence of the Market and its dates.

I have liability insurance for the market through the Hartford Insurance Company, City of Cambridge named, one million for personal injury, two million aggregate. As usual, the Market will be subsidized by State Food & Agriculture issuance of WIC, Elderly and Low Income Food Coupons only redeemable at the Market, though usually the Coupons are not issued until July. The farmers also donate produce to Food For Free, which distributes the produce to shelters, soup kitchens and food pantries.

We hope you will all come to the Market - a sure sign of Spring and Summer to come!

Cooperatively,

Oakes Plimpton
