Subject Proposed Recodification of the General Ordinances

Section 15 - 101 Membership; Appointment

The Recreation Commission should be revised with new members. We are working with only three (3) Commissioners. Two (2) have recently died, one (1) is retired, and one (1) has not shown up to a meeting in four years. The three Commissioners are David Sullivan, John Brooks, and Edward DeLuca.

All the General Ordinances in the Preliminary Draft are being enforced in all Sections that have been drafted.

If I can be of further help, please do not hesitate to get in touch with me.
