

159 Brattle St

Cambridge June 8/85

To the Honorable Committee on
Roads & Bridges of Board
of Aldermen

Cambridge, Mass.
Gentlemen,

As we are unable to be
present in person in
response to your notice of
6th inst., at the meeting
of your Committee this
evening, on the question of
flagging the side-walk on
Brattle St. (northerly side) from
Sparks St, westerly, we wish
to enter our protest against
such flagging, as being un-
necessary, and undesirable

And we would ask your
Committee to give our
written opposition the same
consideration that you would
our personal objections, if
we were able to be present.
