Subject : Council Order No.7 - Councillor Crane - September 18, 1978
Little Fresh Pond

Please be advised that the City with it's own sources has plugged the drain line draining into Little Fresh Pond to abate the alleged pollution.

The City is also looking into the forces of pollution which will take extensive studies to locate. However, the temporary plug on the line will provide an immediate remedy. I will keep you informed as to any future work we do on this.
