CITY OF CAMBRIDGE • EXECUTIVE DEPARTMENT

Robert W. Healy, City Manager Richard C. Rossi, Deputy City Manager

May 21, 2001

To The Honorable, The City Council:

I am hereby requesting the appropriation of \$175,000 to the General Fund Finance Department Assessing Division Other Ordinary Maintenance Account from Free Cash. The additional funds are needed for the tri-annual revaluation certificate expenses for professional services to organize and supervise extensive and detailed field reviews for approximately 9,000 condominium units as well as 1,000 apartment buildings. In addition, a fee appraisal for the electric generation plant (formerly Cambridge Electric) is required by the Department of Revenue. The professional services will also cover the expenses of the consultant in assisting the Department through the Massachusetts Department of Revenue certification review process for all commercial/industrial and personal property accounts. The recent turnover in the Department has required this additional appropriation during a year when values have to be certified by the Department of Revenue.

Very truly yours,
