Whereas the Square at the junction of Bridge and Cambridge Streets, as now enclosed, is in reality a part of the public streets, and is neither useful nor ornamented as it now is, while the space is much needed for public travel.

Ordered, That the Superintendent of Streets be instructed to remove the fence and the sidewalks around the same, and put the area in proper condition for travel.

Referred to the City Solicitor, with a request that he will report at the next meeting of the Board, as to the rights of the City in said Square.
