To the Honorable, the City Council:

With respect to Awaiting Report Item # 31 regarding the replacement of the items at 15 Pearl Street, please be advised that S.C.E.O.C. has insurance coverage on these items. The total value of the missing items as per the report filed with the Cambridge Police Department is \$ 2099.25.

I am having the City Solicitor's Office follow-up on the insurance claim to see if the items can be replaced without a City appropriation.

Very truly yours,

James L. Sullivan
City Manager
