

To His Honor the Mayor and the
Board of Aldermen of the City of Cambridge.

The undersigned citizens of

in that part of said City situated between Dana
Hill and City Hall, have learned with regret
that it is the intention of your Honorable Board to
change the grade of Main Street in that locality.

great detriment to public travel, without a adequate
benefits received, and that the evil to be remedied
may in a more safe and economical way be
accomplished, would respectfully remonstrate against
said alteration and request a hearing upon the
