To the Honorable, the City Council:

With respect to Awaiting Report Item No. 8 regarding the status of the Fletcher School, please be advised that last Spring, the architects and myself met with officials of the School Building Assistance Bureau to request the S.B.A.B. include the Fletcher project in their budgetary submission to the Legislature for Fiscal Year '78. S.B.A.B. included the Fletcher in their request.

I have attempted to ascertain whether this project was included in the funding for School Projects, but have been unable to determine as of yet whether it has been included.

We have forwarded the preliminary design plans and the appropriate forms to S.B.A.B. and **should** have a response on the budgetary issue shortly.

Very truly yours,

James L. Sullivan
