Petition

159

of Patrick Crowley
for damages

Sept. 21, 1874-

Green St.

To the Honorable Board of
Mayor and Aldermen of the
City of Cambridge.

The under sign respectfully
Petition for damage for the loss
of his well by building a cess pool
in it on the corner of Green
and Hancock Streets.

When the City negotiated with me
for the land to open Green street
I was told, should I take the
award they offered me I could
have the use of the well by covering
it with flags a foot below the
surface.
