

To his honorable Mayor and Aldermen
of the City of Cambridge
Gentlemen

The undersigned citizens of Cambridge respectfully represent that there is a public necessity, for an outlet from Front Village, and State Street, to Main Street, in the vicinity of Win-sor Street, there being no chance to get to Main Street without great inconvenience, and travel, through mud from Village street either around the Universalist Church or down around through Osborn Street, Win-sor Street is a through street to Somerville and can be extended to State Street at the present time at less expense than at any other time, and be a great convenience to the public, and we earnestly request that it be extended to State Street at once.

Very Respectfully
