

Hon H. R. Harding

My dear Sir.

As the Society for whom I send a petition contemplate erecting a stone Church extending a considerable distance into Mason St^h, it is fair to presume it will be a building for generations to come.

I make the suggestion therefore as Mason Street is a narrow street, would it not be well for a Committee of your Board to examine the locality, before the cellar is staked, so that if any change of lines is desirable it can be done before the work commences.

Respectfully

W. A. Saunders.
