Councillor David Sullivan
City Councillor's Office
City Hall
Cambridge, Massachusetts 02139

Dear Dave:

On behalf of the Officers and Staff of Shawmut County Bank, I want to express our appreciation for the resolution submitted by you and voted by the City Council on our recently announced building renovations at 515 Massachusetts Avenue. I think it was just such a classy thing for the Council to do and we very much appreciate this expression on the part of the City.

Cambridge is a very significant and growing market for our Bank and for Shawmut Corporation and we are all hopeful that our financial commitment in the City will spur others in the community and in the immediate area in particular to building improvements.

Again, thanks for this show of support.

Sincerely,

GD:cad
