

Representative Bill Reinstein

March 26, 1939 - May 15, 1998

*"To laugh often and much;
to win the respect of intelligent people
and affection of children;
to earn the appreciation of honest critics
and endure the betrayal of false friends;
to appreciate beauty, to find the best in others;
to leave the world a bit better,
whether by a healthy child,
a garden patch or a redeemed social condition;
to know even one life has breathed easier
because you have lived.
This is to have succeeded."*

—Ralph Waldo Emerson

*You've touched us in a way
that words cannot adequately express.
When you needed Bill, he was there for you,
and when we needed you,
you were there for us.
Your thoughts, prayers, friendship and love will stand
as a timeless memorial to the affection
you and Bill had for each other.
A bond that we hope to share with you forever.*

*Fondly,
Maureen, Kathi and Billy
Reinstein*
