Calvin McAdam	70 Elmwood Street, Somerville

# Two Important Meetings Concerning "THE RED-LINE EXTENSION" and it's impacts on Cambridge Neighborhoods

---

## October 17 A Discussion With The "ALERT"

The Red-Line Alert is a coalition of three neighborhoods who have joined together to prevent the dire consequences of a poorly planned Red-Line Extension.

To date the Alert has played a major role in the formation of the Cambridge City Manager's Red-Line Task Force, placed a referendum question on the November ballot, presented a list of concerns and demands to the MBTA. We have hired an attorney who is in the process of preparing a legal action to be pressed in the event that the MBTA does not respond to our concerns.

Come learn more about this group, about how the Red-Line will affect you and what YOU can do about it.

**7:30 PM Stephen James Hse., Davenport St.**

---

## October 23 Special City Council Meeting

After nearly three years of fence sitting, the Cambridge City Council has finally decided to face the Red-Line Extension issue head on. The Council has asked MBTA Director Robert Kiley to appear before them to answer questions. At the request of the "Alert" the meeting has been moved to the M.E. Fitzgerald School on Rindge Avenue. This should make it easier for you to attend. Anyone with an interest in our neighborhood should try and attend.!!!

Also on the agenda will be the question of council support for a Red-Line moratorium

**7:30 PM M. E. Fitzgerald School Rindge Ave.**
