Dear Councilors :

The staff at the Morse School is desperately in need of parking. In past years we had a mutually beneficial arrangement with the manager of the Stop and Shop store to use section of their parking lot. For various reasons the arrangement no longer exist and we now need to make the most of the parking opportunities that are available. Would you please help us with the following items:

- * Have Riverside Road posted for "Resident parking"
- * Have the present parking lines on Riverside Road changed from parallel parking to perpendicular parking.
- * Allow maximum parking in the school's new parking lot.
- * Maintain the parking on Granite Street

Sincerely,
