JOSEPH E. CONNARTON
CITY CLERK

JOHN E. FLYNN
DEPUTY CITY CLERK

January 25, 1990

TO: The Honorable, the City Council

FROM: Joseph E. Connarton, City Clerk *JEC*

SUBJECT: Staff Assignments/1990-1991 Council Committees

Pursuant to Rule Twenty-Six of the Temporary Rules of the City Council and in conjunction with the Mayor's recent committee appointments, I am pleased to submit to you the following staff assignments to said committees.

As we have done in the past, John Flynn and myself will essentially divide the staff work for each committee, while the technical and support work will be done by Sandra Albano. Should the need arise for particular specialized expertise I will confer with the City Manager in order to secure same.

I believe these assignments will provide sufficient staffing at the outset of the new term. However, I would ask each of you to bear in mind that the committee work is super-imposed on our regular daily work load. Therefore I would ask you to be patient with us in scheduling committee meetings. Also in order that we may prevent two committee hearings being held simultaneously, I would ask that you call me as early as possible to schedule a meeting.

John and I look forward to working with the committee chairs during the current term.

c.c. Robert W. Healy, City Manager
John Flynn, Deputy City Clerk
Sandra Albano, Administrative Assistant to the City Council.
