To Whom It May Concern:

Oxfam America is a nonprofit, international development agency headquartered in Boston. In December 1986, we were issued a permit which allowed us to erect a table in Harvard Sq. on the pedestrian island in front of Wordsworth Bookstore. We would now like to apply for the same permit to cover the period from November 15 through December 25 of this year.

This project involves no excavation, disruption of street traffic, or permanent alterations to the public way. Our purpose will be the distribution of information about Oxfam America, and the sale of cards, calendars, and books from our Education Department.

We hope that this information will clear up any questions arising from our answers on the inclosed Public Works Permit Application. Thank you for your attention to this application.

Sincerely,

John Maher
