Dear Councillor Russell,

Timothy E. Henley has achieved the rank of EAGLE SCOUT. He will be presented with the Eagle Scout Award in a ceremony at the Grace Methodist Church early in March. We would like for you to sponsor a resolution of the City Councillors to congratulate Timothy on his achievement. Tim is a Senior at CRLS Pilot School, he is a member of the National Honor Society, he has received the MVP award from the Athletics Department last year for helping them to reach the state finals in volleyball, and he serves as a Peer Mentor. I know that you personally know the family and I am sure they would appreciate your sponsoring this resolution. I would like to have the resolution sent to Tim so that we may display it at the Eagle Court of Honor. Timothy E. Henley, 237 Franklin Street, Apartment #3C, Cambridge, MA 02139.

Although the presentation of his Eagle will be in March. Tim has already received his citation for the National Office of Boy Scouts of America. The date that he received his Eagle was November 28, 1995. I know that the family intends to send you a personal invitation to the presentation.

Thank you for your helping to honor this young man.

Sincerely,

A handwritten signature in cursive script that reads "Louise A. Williams".

Timothy E. Henley earned his Eagle Scout Award by donating his time and effort to St. Patrick's Shelter for Women. Timothy had volunteered at the Shelter on many occasions. He spent time helping to carry in groceries, helping to set up the pantry area, and doing chores that were needed. During this time he noticed that the fence surrounding the Shelter was in pretty poor condition. After talking with the Shelter Director, Timothy found out that because of budget cuts, the shelter could not afford to take care of the fence properly. It needed to be scrapped, painted, and straightened. He asked for permission to coordinate boys in his troop to do the work. This work had to be done when the women were not in the shelter. Tim organized the manpower, set up dates to work, even coordinated breaks and lunch for the workers through local businesses. This was a big job - a local contractor said they saved over \$2500 in doing the work for the shelter. Tim later took the boys on a tour of the shelter to show them the limited space each guest has. Tim left a definite impression on how the boys now feel about shelters and the commitment each person has to have to improve their community. Neighbors in the area have commented on how nice the fence looks, and the women who stay at the shelter feel that it looks nicer because the outside looks cared for. This helps the women to feel better about where they are staying and about themselves. It is a real reminder to the boys who helped about the importance of making a difference in their community and taking pride in themselves.
