To The Honorable, The City Council:

In response to Awaiting Report Item No. 22, regarding the future of MBTA bus #83, General Manager of the MBTA John J. Haley, reports the following:

The MBTA is in the process of studying the routing of this route which services Cambridge and Somerville. On March 16, at 7:00 p.m., a public meeting will be held at Saint Anthony's School in Somerville. Representatives from their Service Planning staff will be on hand to meet with members of Cambridge and Somerville communities. Formal notices are in the process of being sent out.

The MBTA has reassured us that there are no plans to cancel Bus #83. They intend to work with all concerned parties to provide the most efficient service on the most effective possible route.

Very truly yours,

Robert W. Healy
City Manager
