Dear Council Members:

At the last meeting of our Organization, it was unanimously voted to seek a meeting with your duly designated celebration committee of your honorable body as soon as possible.

The matter we refer to is the forthcoming 200th Anniversary of the City of Cambridge. To the best of our knowledge little, if any, planning for this event has been done; or at least no information has been released to the City of Cambridge. We are of the opinion that now is the time to have all interested parties alerted and action be instigated at once.

Our Organization is ready, willing and capable of lending assistance in order to insure a most memorable celebration.

Yours in Comradeship,

FRANK SMITH
President
