Consent Agenda #5  
Calendar Item #10

### IN CITY COUNCIL

~~May 6, 2002~~  
May 20, 2002

ORDERED: That the following amounts are appropriated for the purposes described below, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws:

| <u>Amount</u> | <u>Purpose</u>                                                                                                                                                                           |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| \$5,170,000   | Construction of surface drains, sewers, pumping stations and stormwater discharge and disposal facilities in the Cherry Street and South Massachusetts Avenue area                       |
| \$1,700,000   | Construction and reconstruction of surface drains, sewers and stormwater discharge and disposal facilities in the Fresh Pond Reservation area                                            |
| \$965,132     | Construction and reconstruction of surface drains, sewers and stormwater and sewage discharge, disposal and treatment facilities as part of the Fresh Pond area sewer separation project |
| \$630,000     | Construction and reconstruction of surface drains, sewers and stormwater and sewage discharge and disposal facilities in the Harvard Square area                                         |
| \$525,000     | Construction and reconstruction of sewers and sewage disposal facilities, consisting of the removal of common manhole structures                                                         |
| \$525,000     | Cost of engineering services for plans and specifications for surface drains and sewers in the Porter Square area                                                                        |
| \$500,000     | Construction of surface drains, sewers, pumping stations and stormwater discharge and disposal facilities in the Bellis Circle area                                                      |
| \$220,000     | Construction and reconstruction of surface drains, sewers and stormwater and sewage discharge, disposal and treatment facilities as part of the Agassiz area sewer separation project    |

\$1,684,410      Construction and reconstruction of surface drains, sewers and stormwater and sewage discharge and disposal facilities in the Cambridgeport area, including the reconstruction of the Talbot Street and Endicott Street outfalls and construction of new conveyance pipes; and be it further

ORDERED:      That to meet these appropriations, the Treasurer with the approval of the City Manager is authorized to borrow \$11,919,542 under Chapter 44 of the General Laws or any other enabling authority, that such borrowings shall be general obligations of the City unless the Treasurer with the approval of the City Manager determines that they should be issued as limited obligations and may be secured by local system revenues as defined in Section 1 of Chapter 29C; that the Treasurer with the approval of the City Manager is authorized to borrow all or a portion of such amounts from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C or the Massachusetts Water Resources Authority and in connection therewith to enter into a loan agreement and/or a security agreement and/or financial assistance agreement with the Trust or the Authority and otherwise to contract with the Trust and the Authority and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the projects or for the financing thereof; and that the City Manager is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the projects and to take any other action necessary to carry out the projects.

In City Council May 20, 2002.
