Dear Councilors;

On Friday 12/13/91 Karon Tehan was a client in our salon. She had a 3pm appointment. I supplied her change for 2 hours of time on the meter; which she put into the meter. We had completed our work at 4:45pm and she left our salon. With-in 2 minutes she was back in my salon with a parking ticket. The time the parking ticket was written was 4:56pm, the meter still had 10 minutes remaining.

I have complained two other times to the mayor and the parking clerk, with no response, about two similar ticketing situations. The only results that I can see is a more aggressive ticketing program which is driving business away from our street.

Could you please correct this situation and have someone contact Ms Tehan and revoke this ticket.

Very truly yours,

Fred Dinkin
