Notification of ^{accurate} polling place information

Whereas there is redistricting in place ~~for many~~ ^{throughout} of the city which will affect many of the city's wards and precincts

Whereas in most cases voters will be voting at their usual polling places, however there are some instances where precinct number and actual polling places will be changed

Whereas it is essential that voters of the city have accurate information about ward and precinct information to prevent confusion on election day

Therefore be it resolved that the City Council request the City Manager to report to the City Council at the next meeting of the City Council, how voters with changes in polling places will be notified of this change, ~~at least~~ ^{well} in advance of election day
