Dear Mr. Connarton,

Thank you very much for your help with TAG DAY MAY 8. Your efforts were important to the success of this event. We had 150 volunteers raising money in over 40 sites, and we gave out an estimated 6000 tags with information about the June 12th march and rally at the United Nations.

Thanks is also due to to numerous "behind the scenes" supporters as well as to the police and city officials of Boston, Cambridge, Newton, Brookline, Watertown, Somerville, Andover and Concord.

TAG DAY MAY 8 was an important event for the Greater Boston June 12th Campaign. It engendered tremendous cooperation and public support for the disarmament effort. It also spread the word about the June 12th rally to a receptive public. And, finally, it raised badly needed funds - \$4700 for disarmament groups with over \$3000 going to the June 12th Campaign; this will help subsidize at least one busfull of riders going to New York City (in addition to the five free seats currently available per bus).

Thank you again for your contribution to the success of TAG DAY MAY 8!

Sincerely,

Kristen Wainwright
