

City of Cambridge

4.

IN CITY COUNCIL

Councillor William H. Walsh

August 7, 1989

WHEREAS: As a result of recent completion of water main and gas line construction on Chauncy Street, the road surface from Garden Street to Massachusetts Avenue is in disastrous condition. Over and above the safety element involved, the road's condition is a source of excessive vibration and noise to the neighboring residents with the passage of traffic. Now therefore be it

ORDERED: That the City Manager direct the Commissioner of the Department of Public Works to arrange for the repaving of Chauncy Street as soon as possible and advise this Council as to the projected date for the initiation of this project.
