Trudeau St.

July 20. 1870.

City of Cambridge.

In Board of Aldermen, Sept-27th 1870

The Joint Standing Committee on Roads & Bridges to which was referred the petition of Wm Gibson & others, praying for the widening of Williard Street, from Brattle to Mount Auburn Streets would respectfully Report: That they find Williard Street about 30 feet in width, which in their opinion is sufficiently wide to accommodate the present public travel, that no buildings are being erected to render any future widening less practicable than at present; in view of which your Committee recommend the petitioners have leave to withdraw.
