

RECEIVED
OFFICE OF
1989 APR 21

CAMBRIDGE MA.
OFFICE OF THE VICE MAYOR

CITY HALL, CAMBRIDGE, MASSACHUSETTS 02139

(617) 498-9094

Alice K. Wolf
Vice Mayor

April 21, 1989

TO: City Council Environment Committee

FROM: Alice K. Wolf, Chair

I have been informed by the State Department of Environmental Quality Engineering that they have discovered petroleum residue at the CITGO gas station at the Concord Avenue rotary.

Since the site is very near the Fresh Pond Reservoir, D.E.Q.E. is requiring the station to determine the extent of the problem and to clean it up.

24.

S-296

Comm. from Vice-Mayor Alice K. Wolf, Chair,
Committee on Environment Re: discovery by
the State Dept. of Environmental Quality
Engineering of petroleum residue at the
CITGO gas station at the Concord Ave. rotary.

In City Council,

April 24, 1989

4-24-89

Placed on file.
