D.P.U. 93-211

MFS INTELENET OF MASSACHUSETTS, INC.

MFS Intelenet of Massachusetts, Inc., a Delaware corporation, has applied to the Department of Public Utilities for authority to provide telecommunications services within the Commonwealth of Massachusetts. MFS Intelenet of Massachusetts, Inc. proposes to provide local dial-tone access lines, private branch exchange (PBX) trunking, local exchange and toll services, 800 services, operator services and ancillary local services to business customers in Massachusetts.

This investigation is officially captioned:

D.P.U. 93-211

Application of MFS Intelenet of Massachusetts, Inc., under the provisions of Chapter 159 of the General Laws, as amended, for a certificate of public convenience and necessity to operate as a resale, value-added or interexchange common carrier within the Commonwealth of Massachusetts.

Comments, objections and requests for a public hearing on the proposed service must be made in writing with specific reasons for requesting a public hearing, and filed with the Secretary of the Department on or before January 28, 1994.

The petitioner, MFS Intelenet of Massachusetts, Inc. is required to complete the following: (1) Give notice by publication hereof once, on or before January 14, 1994 [which is twenty-one (21) days prior to February 4, 1994], in the Boston Globe, the Morning Union (Springfield), the Berkshire Eagle (Pittsfield), and the Worcester Telegram; (2) Give notice by mailing a copy hereof on or before January 14, 1994 to the Local Exchange and Other Common Carriers on the attached Interexchange Carriers list; and (3) Make return of service and publication no later than February 14, 1994.

By Order of the Department,

Mary L. Cottrell, Secretary
