Subject Hearing on the condition of Fayette Street.

Enclosed you will find a copy of a notice sent to residents of Fayette notifying them of a hearing to be held by the City Council on Monday, October 6, 1980 at 6:30 p. m. in the City Council Chamber.

The City Council has requested that you be present at this hearing.

Your kind attention in this matter will be greatly appreciated.

Mr Crane

PETITION TO JAMES SULLIVAN, CITY MANAGER OF CAMBRIDGE

We, the residents of Fayette Street, are dismayed and upset with the condition of our sidewalks. We strongly urge the City of Cambridge: 1). to make sure that the gas and water contractors who damaged the sidewalks and curbstones in front of 85% of our houses repair them in a satisfactory way; 2). to monitor the progress and quality of work so that the sidewalks and curbstones are all properly repaired by Dec. 1, 1980. We are particularly concerned that bricks be replaced evenly and levelly to avoid sunken depressions, that temporary tar patches be removed and replaced with the appropriate material, and that original concrete sidewalks that were broken be replaced with new concrete.

The present poor state of the sidewalks is a direct result of the gas and waterline work. It is dangerous for our pedestrians (residents, Longfellow School students, etc.) and a liability for homeowners and the City. We hope that our sidewalks can soon be made safe and serviceable for all.
