Dear Mr. Sullivan:

As you know, the Cambridge Housing Authority has, for some time, been seeking the ability to grant a preference to Cambridge residents for admission into Cambridge public housing. Approval from both the Department of Housing and Urban Development for federally-aided public housing and the Executive Office of Communities and Development for state-aided public housing has been an arduous process, which of necessity dealt with a set of complex issues.

I am pleased to report to you that this process, which began in the Fall of 1979, has culminated in approval by both of the above-mentioned regulatory agencies. The C.H.A. can now apply a preference for residents of the City of Cambridge for admission into Cambridge Public Housing. The C.H.A.'s Applicant Selection and Transfer Plan was amended formally by a vote of the Board at its meeting of Wednesday, January 14, 1981, and the residency preference is now in effect. Please advise me if your desire is that separate notification be made to the City Council by way of a separate mailing.

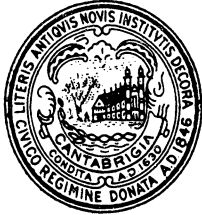

Sincerely,

Daniel J. Muenschel
Executive Director
