To The Honorable, The City Council:

We are pleased to inform you that we have been successful in our efforts to purchase the Squirrel Brand properties in Area Four to meet the public goals of affordable housing and open space. This week Just-A-Start Corporation has had their offer to purchase the properties accepted by the Gerrish family, owners of the site. The final details of the sale are in the process of being negotiated, and JAS expects to finalize the purchase by late summer. The properties under agreement include 6-8, 10-12, 17 and 24 Boardman Street.

JAS will embark on a project planning process and will work with Area Four neighbors and the Community Development Department to plan and design this exciting project.

We will keep the City Council informed of the status of this project as it moves forward.

Very truly yours,

Robert W. Healy
City Manager
