Dear Mr. Healy:

The City of Cambridge has always regarded the safety of its citizens as a priority, and they have always enthusiastically supported initiatives which will preserve and guarantee the safety of the residents of our neighborhoods.

Local neighborhood crime watches and task forces are an important element to crime prevention in our city. It is of extreme importance that the neighborhood and the police department work together.

Over the last several years the North Cambridge Crime Task Force has worked diligently with the Cambridge Police Department in our Community. We have been said to be a mobilizing force and we have provided strong leadership in preserving safety, information and a sense of community for the residents of North Cambridge.

Once again we are planning our National Night Out Against Crime. This year, on Tuesday, August 3, 1999 from 9:30 A.M. to 9:30 P.M., we will be celebrating our seventh National Night Out Against Crime. The North Cambridge Crime Task Force has received All Star national recognition for the last six years. We serve thousands of residents from all over Cambridge in this wonderful and worth while event. It is a day when children, families, elderly, businesses, police and fire departments all come together to celebrate our partnership.

All of this requires hundreds of hours from volunteers in the community and the Cambridge Police Department.. It is also extremely costly. Fund raising is always a major part of our work. We would therefore like to request from the City Budget two thousand dollars for this years event.

We sincerely thank the City for any generosity it can provide us for this community event. We will look forward to seeing you and our City Officials on this exciting day.

For any further information you may need, you may call the North Cambridge Task Force at 349-4293.

Sincerely,

Larry Burke, Chairman
North Cambridge Crime Task Force
