To the Honorable, the City Council:

With respect to Awaiting Report Item No. 6, regarding the construction of a new Police Station, please be advised that in less than ninety days work will begin on major heating, ventilation, electrical and interior architectural renovations to the existing facility completely funded with a grant from the Economic Development Administration under the Local Public Works Act, Round II.

Therefore, it would not be economical or feasible at this time to commit the City to a new facility.

Very truly yours,

James L. Sullivan
