To the Honorable, the City Council:

With reference to the Awaiting Report List of June 21, 1976, please be advised as follows:

- Item No. 3: Report on the property tax in the City of Cambridge requested by Councilor Clem on March 1, 1976, was submitted directly to the City Council by the Assessors.
- Item No. 5: Mr. Fagone has advised this office that he has reported this information to the Council.
- Item No. 8: A report on the establishments of a lounging area for City Hall employees was submitted to the City Council on May 10, 1976.
- Item No. 9: Property at the corner of Brookline and Franklin Streets is private property. The Sanitation Division of the Health Department is investigating this matter and will notify the owners to clean out the area.
- Item No. 12: The Traffic Department is investigating the feasibility of installing traffic signals at the corner of Putnam and Mt. Auburn Streets, under the TOPICS program.
- Item No. 13: Property at the corner of Bay and Green Streets is private property. The Sanitation Division of the Health Department has taken the owner to court, and he has been given until the 15th of July to clean up the area.
- Item No. 18: Inasmuch as the Committee to work with MDC in connection with the trees and construction along Memorial Drive has not been active for a few years, I believe that a new Tree Committee should be established, and I am taking steps to do so.

Very truly yours,

James L. Sullivan
