PROPOSED ICE CREAM CONCESSION

Cambridge, Apr11 2nd, 1992 19

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

that the Council consider permitting the use of the sidewalk outside Taki's Restaurant, 40 Hampshire Street, by customers purchasing ice cream from a service window.

Taki's Restaurant has operated as a Diner for many years. The proposed ice cream counter will supplement the existing restaurant operations. The Tech Square area has no ice cream shop at present, and has a growing daytime population of office and research workers.

Takis Restaurant is located in an Industry B zone, in which the existing and proposed uses are allowed as of right. Pedestrian traffic on the sidewalk is very light, and is mostly generated by the restaurant itself. The nearest residence is over 300 feet away.

A Building Permit for the work has been applied for; plans and elevations are attached. Thank you for your consideration of this matter.
