Dear Ladies and Gentlemen:

The Council of the Longfellow Community School wishes to thank you for your support of the City festival. We are all looking forward to that mile long suppertable and feel that it is a wonderful thing to keep the Municipal spirit generated by the Bi-Centennial alive.

Our Council is urging our neighborhood to participate in the events planned for Inman Square. In addition, we're planning a block party of our own.

Thank you again for making a great idea a reality.

Sincerely,
Julia O. Bibbins
Co-Chairperson, Longfellow
Community Schools Council
