City Manager

November 25, 1974

To the Honorable, the City Council:

The newly issued rules and regulations of the Community Block Grant Program provide the City of Cambridge with the opportunity to count as eligible for reimbursement from any block grant monies the City may receive, certain costs we are incurring and would ordinarily pay for with City funds. Upon the passage of an appropriate City Council resolution, we may credit the cost of activities necessary for the planning and preparation of an application for Community Development Block Grant funds.

I am enclosing the necessary resolution for your review and approval.

Very truly yours,

James L. Sullivan  
City Manager
