

To the Honorable Board of the Mayor
and Aldermen of the City of Cambridge

The undersigned respectfully represent that
as officers of the Third Congregational Society in
Cambridge they have been notified by said City to
remove the steps in front of their Church, as they now
encroach upon Third Street.

They would therefore submit to your honorable
board that, in the year 1847 or thereabouts, said
steps were altered to conform to the line of the street
under the direction and with the approval of the
City or town authorities.

And they respectfully pray that no action in
relation to said steps, shall be taken by the City
which shall cause any expense to said Society.
