Re: Petition for Curb Cut
Ruth Hiller - 409 Broadway, Cambridge, MA

Dear Mr. Healy:

As Attorney for Ruth Hiller, I am requesting that her petition for a curb cut first placed on file before the City Counsel on December 19, 1983 be resubmitted.

Ms. Hiller's residence is 409 Broadway, Cambridge, Massachusetts; requested curb cut is on Dana Street. The following chronology of events may be of help to you and to the City Councillor.

The original request for a curb cut was submitted on October 19, 1983. The curb cut had been approved by the Public Works Department, Traffic and Parking Department, Historical Commission, Inspectional Services. The petition was placed on file, December 19, 1983.

On November 3, 1983, Paul Healy notified the mid Cambridge Neighborhood Association, Joan Lorentz of the petition. The Neighborhood Association disapproved of the curb cut.

A City Counsel meeting was held on the petition on November 14, 1983. Nothing was resolved. Subsequently, Councillors David Sullivan and Thomas Danahy requested a memorandum from the City Solicitor regarding the right of a property owner to a curb cut. Mr. Higley, City Solicitor submitted a memorandum to City Manager Robert Healy on November 30, 1983.

Page 2.
January 28, 1986
Mr. Paul E. Healy

On December 8, 1983, Inspectional Services was requested to look into the requirements of the Zoning Ordinance relative to this curb cut.

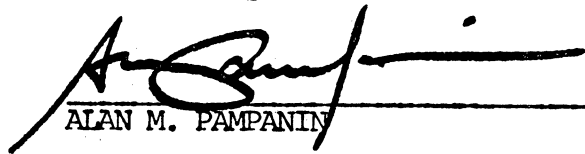

On December 16, 1983, the matter was tabled with no decision rendered. On December 19, 1983, the matter was placed on file for resubmission.

On May 25, 1984, Ms. Hiller resubmitted her petition by letter to the City Clerk. On June 6, 1984 your office sent a memorandum to Russell Higley relative to the resubmitted petition. It appears that nothing happened after this.

Enclosed are copies of all documents referenced in the above chronology and on file with the City Clerk's Office.

I would appreciate your attention to this matter. I understand that this matter may be heard on Monday, February 3, 1986 before the City Counsel.

Very truly yours,

ALAN M. PAMPANIN

Subject Petition of Ruth Hiller for a driveway at the
side of 407 Broadway on Dana Street

Please be advised that at the City Council meeting held on Monday, November 14, 1983, the enclosed petition of Ruth Hiller was tabled on motion of Councillor David Sullivan, pending an opinion from the City Solicitor on the legality of the City Council acting on this petition, which had been disapproved by the neighborhood association in the area, after securing approval of the departments concerned.

Councillor Duehay has requested that the City Engineer prepare a diagram of the area and report as to whether any driveways exist on this lot, which is on the side of 407 Broadway on Dana Street.

Councillor Clinton has requested that Joan Lorentz of the Mid-Cambridge Neighborhood Association inform the City Council whether this decision to disapprove the petition was made at a meeting, and if it was made at a meeting of the association, how many people were in attendance and voted to disapprove of the petition.

All persons and departments concerned are requested to report as soon as possible in accordance with the above.

I hereby approve

X disapprove said driveway petition.

Reasons:

1) Destroying green + open space
2) Taking away public parking on Dana street
3) Using a small open space for a purpose not beneficial to residential character + close neighbors.
The zoning require 5 ft from lot line + 5 feet from building - There's no room for a car.
4) The corner is dangerous - many accidents there already - Check police records

In connection with the above item, at the City Council meeting of December 5, 1983, Councillor Duehay requested that a memorandum be prepared on why your department recommended the approval of a driveway petition that does not meet the requirements of the Zoning Ordinances, as cited by Councillor Duehay at the meeting.

The City Council has further suggested that the memorandum indicate whether permission for the driveway could be validly granted in view of the requirements of the Zoning Ordinances.

Councillor David Sullivan stated that he supported the request of Councillor Duehay and that he would not approve the petition of Ruth Hiller. At the end of the discussion, the item was tabled for a week, pending report from the Inspectional Services Dept.

Your very kind attention in this matter will be greatly appreciated by both the City Council and this office.

Subject The Ruth Hiller driveway petition

Please be advised of the following actions at the City Council meeting of Monday, December 12, 1983, pursuant to the Hiller driveway petition:

Councillor Danehy requested an opinion from the City Solicitor as to whether or not the City Council had the right to deny the petitioner access to his property and cited the November 30, 1983 opinion from the City Solicitor.

Councillor David Sullivan at this point stated that the right to a driveway is not an absolute right and is subject to reasonable restrictions for the public and stated that if there is a reason, the petition could be denied.

Councillor Danehy referred to the Jack in the Box research opinion rendered in the past by the City Solicitor.

As you can appreciate, Richard Horgan's opinion rendered to the City Council seemed in the opinion of some of the Councillors to be in conflict with the opinion rendered by you on November 30, 1983.

Another issue arose on whether or not the house is listed correctly with the City Rent Control Board as a 4 family house, in which case it was contended that the driveway would be too close to reach zoning requirements.

At the conclusion of the hearing on the Hiller petition, the matter was tabled and it was my understanding that the City Council will require the resolution of the above legal issues raised in this hearing prior to taking action on the petition.

Your very kind attention in this matter will be greatly appreciated.
