Mr. Robert Healy, City Manager

The Licensee of Cambridge Nursing Home has found it necessary to begin the process of closing the facility. We have initiated family meetings and continual meetings with the residents to help alleviate any fears they might have as they prepare to make the transition to a new environment. We have also requested the assistance of the mental health service provider to meet with the individual residents and offer guidance and support to the staff members of the facility. Arrangements have been made with outside agencies to assist employees in all departments to find new jobs.

Sincerely,

Paul Corcoran

Administrator
