IN CITY COUNCIL

March 12, 1990

COUNCILLOR WALSH

- WHEREAS: That the saga of poor service to Cambridge residents by the U.S. Postal Service continues and is a source of financial injury due to late charge penalties and potential credit damage is evident in a report from a resident of North Cambridge who, on February 12, 1990, mailed twelve checks in Porter Square. As of February 26, 1990, after speaking with each of the addressed recipients, it was found that only one check had arrived at its designated location. Twelve days would seem to be more than a sufficient period of time for mail to travel one and one half miles which was the distance involved in this case; now therefore be it
- ORDERED: That the City Manager advise the Postmaster in Cambridge once again, and the Director of the Boston Division at 25 Dorchester Avenue, Boston, Massachusetts that this is unacceptable, uncalled for and a disservice to residents of Cambridge who have a right to be served, served well and served now; and be it further
- ORDERED: That the City Manager be and hereby is requested to report back to the City Council in one week to confirm that this has been carried out.

In City Council March 12, 1990.
Adopted by the affirmative vote of nine members.
