To the Honorable, the City Council of Cambridge:

The undersigned respectfully wishes to call to the attention of this Honorable Council the fact that RESIDENT PARKING is not enjoyed by residents of Norfolk Street between Broadway and Hampshire streets. Residents of other cities and towns employed by Electro Powerpacs Corporation located at 253 Norfolk Street occupy all parking spaces available making it impossible to find a space during their business hours. This problem is aggravated during the winter months when snow makes even less parking space available.

It therefore becomes a necessity that I have a place to park my car so that I may perform certain errands during the day and know that when I return that I will have a place to park..

Sincerely,

Ralph Saya
