Dear Mr. Mayor:

I write to express to you my appreciation of the time, interest, and courtesy extended to me by you, and the members of the Council, on Monday night.

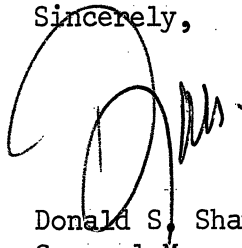

I'm sorry that I took so much time, thereby preventing you from completing City business.

I guess that it was a rather unusual situation, and I know it was an unusual experience for me.

We really do expect to establish the fact that we can do a news and service job for Cambridge in an entertainment format.

Again my thanks - and don't hesitate to call on us if we can help the City in any way.

Sincerely,

Donald S. Shaw, Jr.
General Manager
