Dear Friend:

On Wednesday, March 30, 1983, I will be holding a town meeting in Cambridge specifically for senior citizens. I am writing to invite your participation in this open forum which will be held at the Millers River Housing Project, 15 Lambert Street, Cambridge, at 10:00 a.m.

In recent months, I have received thousands of letters from senior citizens who are concerned and confused about the issues that affect our elderly population. The purpose of the meeting is to clear up the confusion, to exchange information, and to learn of your concerns about proposed changes in Social Security, Medicare, and the Older Americans Act. I believe that with the active participation of the senior citizens in your area, this meeting will prove to be both informative and productive for all of us.

I hope you will be able to attend this important town meeting. For my part, let me assure you that my commitment to senior citizen programs remains as strong as ever. I will continue to fight for the protection of these vital services. This meeting will enable me to carry on that fight more effectively.

If you have any questions or would like additional information, please call Mona Blumstein or Shirley Simons of my Boston staff, Room 2003f Kennedy Federal Building, Boston, MA 02203; telephone (617) 223-1890. Mona and Shirley both work with me on elderly issues and will be happy to assist you.

I look forward to seeing you on March 30.

Sincerely,

PAUL E. TSONGAS
United States Senator

P.S. Please share this invitation with a friend who is a senior citizen.
